

Youngstock Signature Series -

This is a national AIMHCNZ award.

Eligibility for points to be counted – horses are to be registered with AIMHCNZ and entered into AIMHCNZ high points. The owner/lessee must be a member of an AIM club.

Open to Yearlings, 2 and 3-years old. Breed classes to count, plus Champion of Champions and Reserve Champion of Champions.

Breed class points are to be scaled. Champion of Champions 5 points and Reserve Champion of Champions 3 points

If a horse goes on to win Supreme Champion, it's class points will be elevated to 8 points if less than 4 horses competed in its breed class.

If the horse wins Runner Up Supreme its breed class points will be elevated to 6 points if less than 3 horses in its breed class.

A minimum of 6 horses must compete within a type and height section where separate Supreme awards are offered. If Supreme awards are combined for A & B sections, a minimum of 6 horses is required across both height sections.

This system recognises horses that are judged best exhibit of the day, even when they have competed in smaller breed classes. This system will be used in our hi point breed class section from now on.

Three divisions: Foundation A & B – Classic A & B – Modern A & B

Awards for Each Section -1st Place Keeper Trophy – 2nd place rosette – 3rd place rosette

Overall Individual North Island Champion: Prize Pack (if sponsorship obtained).

Overall Individual South Island Champion: Prize Pack (if sponsorship obtained).
